Activities staff will come to your rooms to offer the above activities each day. Please continue to stay in your rooms. As the weather is getting nicer we will be offering residents a walk outside or sitting on the balcony (weather permitting) for some fresh air on the above days per floor. You **must** be accompanied by a staff member and you **must** wear the mask that was provided for you (yellow) in order to leave your room. We are also setting up "Video Visits" so that we can connect you with your family via zoom. If you would like to visit with your family via video let an activities staff member know and we will coordinate a time and day with your loved one. Thank you for your patience during this very difficult time, we look forward to fun filled days ahead.
